

Trail Mark Sheet

Cut out and place these 'Discrimination Trail' marks where they can be clearly seen on the footpath you are nominating

If you feel that you cannot use a rural public footpath because it has not been prepared for you and can **easily** be converted to accommodate for your requirements, you can suggest the trail as a 'Discrimination Trail' reporting the issue to gain support. These issues will be directed over the internet to the local authorities automatically

Mobility Awareness

Post Mark

Post Mark Template:

- Yellow background with a large blue wheelchair icon.
- Top text: **Mobility Awareness**
- URL: www.mobilityawareness.org.uk
